WHAT IS IT?

For over 20 years, the Coppice Association North West has run our Weekend in the Woods, a weekend of traditional craft workshops set within a beautiful woodland in South Lakeland.

Workshops are led by experienced, professional tutors and run from 9am to 5pm each day. Some workshops carry a small, additional charge for materials.

There are a few workshops to choose from, have a read through, then book your ticket online. If you have any questions, just get in touch.

BECOME A MEMBER

Although Weekend in the Woods is open to Members and Non-Members, it's a great time to sign up and join us. With a discounted price for Weekend in the Woods and the chance to meet many of our other members, as well as regular meetups throughout the year, membership is open to ALL, wherever they may be, who wish to support the aims of CANW.

There is no restriction on the nature of Members' interests. They can be craft workers, charcoal makers, conservationists, coppice merchants, woodland owners, or just wood lovers who care about the future of our broadleaved woodlands and want to help promote them.
